#### About Capriccio Di Mare

Capriccio di Mare is a relaxed Caffé Italiano located in the heart of Road Town, Tortola, British Virgin Islands.

Serving breakfast, lunch and dinner, the terrazzo setting opposite the ferry dock is a popular place for local politicians, business folk, residents and visitors to meet up for fresh Italian fare.

From a cappuccino or espresso accompanied by Italian pastries and frittatas in the morning to a broad selection of crostini, piadina, focaccia, pizza and pasta rounded off with a homemade tiramisu for lunch and dinner – the choice of authentic and satisfying food has been a staple of Tortola's dining community for over 15 years.

House cocktails such as the mango and peach Bellini are served at happy hour along with a selection of complimentary antipasti.

Executive chef, Davide Pugliese, and his wife, Cele, who also own and run the elegant dinner venue, Brandywine Bay Restaurant, created Capriccio Di Mare.
